# Are you a civic-minded educator?

## Incorporating Civics into your Classroom

The American education system was originally **designed to develop good citizens**. How well are we meeting this challenge? Educators at every grade level and content area need to be involved in preparing students to be informed active, and citizens.

### FREE TEACHER WORKSHOP

**This workshop will help civic-minded educators develop engaged citizens by:**

- ▶ Improving inquiry based teaching using the Library of Congress methodology
- ▶ Interacting with the free civics app Engaging Congress
- ▶ Previewing the Library of Congress micro-credential

#### Workshop Facilitator

**Dr. Elizabeth R. Osborn**  
Indiana University Center  
on Representative Government

#### Who:

6th–12th grade educators in all content areas

#### Attendees will receive:

- Teaching with Primary Source training
- Continuing Professional Development Units (CPDU)
- \$125 stipend
- Lunch
- Parking validation

**RSVP** at [corgcivics.eventbrite.com](http://corgcivics.eventbrite.com)
